**FINDINGS OF FACT AND CONCLUSIONS OF LAW**

Based on its review and consideration of the materials listed above, the Court makes the findings of fact and conclusions of law enumerated below. This Order constitutes the Court's findings of fact and conclusions of law under Bankruptcy Rules 7052 and 9014. Any finding of fact constitutes a finding of fact even if it is stated as a conclusion of law; and any conclusion of law constitutes a conclusion of law even if it is stated as a finding of fact.

1           A.     This matter is a core proceeding over which the Court has jurisdiction  
2 under 28 U.S.C. §§ 157(b) and 1334(a). Venue is proper under 28 U.S.C. §§ 1408 and 1409.

3           B.     The Debtors provided notice of the Confirmation Hearing, as continued,  
4 and of the time fixed for filing objections to Plan confirmation to all entities entitled to  
5 receive that notice, including all of the Debtors' known creditors and interest holders and the  
6 non-debtor parties to executory contracts, assumed, assigned or rejected pursuant to the Plan.  
7 The notice of the originally scheduled hearing (the "Original Notice") fully and adequately  
8 described the requested relief; was reasonable and appropriate; and complied in all regards  
9 with due process. Supplemental notice concerning continuation of the Confirmation Hearing  
10 was made in accordance with applicable law and orders of the Court. The notice of the  
11 Confirmation Hearing complied with the applicable provisions of:

- 12                   1.     The Bankruptcy Code;
- 13                   2.     The Bankruptcy Rules, including Bankruptcy Rules 2002, 3017,  
14                   3018, and 3019;
- 15                   3.     The Local Bankruptcy Rules of the United States Bankruptcy  
16                   Court for the Central District of California; and
- 17                   4.     All relevant Orders of the Court, including this Court's *Order*  
18                   *Authorizing And Approving: (A) Adequacy Of Debtors' Disclosure Statement;*  
19                   *(B) Form, Scope, And Nature Of Solicitation, Balloting, Tabulation, And*  
20                   *Notices With Respect Thereto; And (C) Related Confirmation Procedures,*  
21                   *Deadlines, And Notices* (the "Solicitation Procedures Order");

22           C.     The Debtors conducted their solicitation of acceptances or rejections of  
23 the Plan and its related distribution and tabulation of ballots with respect to that solicitation  
24 in good faith. In addition, the solicitation, distribution and tabulation complied with the  
25 Solicitation Procedures Order; all applicable provisions of the Bankruptcy Rules (including  
26 Bankruptcy Rules 3017 and 3018); all applicable provisions of the Bankruptcy Code  
27 (including sections 1125 and 1126); and all other applicable laws, rules and regulations.  
28 Among other things, the Debtors transmitted the Plan and Disclosure Statement to all known

1 parties who hold Claims and Interests that are impaired under the Plan and who are therefore  
2 entitled to vote on the Plan and all parties who have requested special notice in these  
3 Reorganization Cases.

4 D. The Plan satisfies all of the requirements of Bankruptcy Code sections  
5 1129(a) and (b), including sections 1122 and 1123.

6 1. 11 U.S.C. § 1122: Administrative Claims and Priority Claims  
7 are classified and are treated separately under the Plan in compliance with the  
8 applicable provisions of the Bankruptcy Code. The Plan classifies all other  
9 Claims and Interests in 19 Classes. Classes 1-8 are all secured classes properly  
10 classified separately because the holders in each class hold liens against  
11 distinct pools of collateral (or to the extent there are multiple liens against the  
12 same collateral, liens of distinct priority). The Plan also properly classifies  
13 Unsecured Claims into five separate classes of distinct character. Equity  
14 Interests are also properly divided into six separate classes each class  
15 consisting entirely of one of the six types of prepetition issued and outstanding  
16 equity Interests of Fountain View, Inc. Each of the Claims or Interests in each  
17 particular Class under the Plan is substantially similar to the other Claims or  
18 Interests in such Class; thus, satisfying the requirement under Bankruptcy Code  
19 section 1122(a) that each claim or interest in a class be substantially similar to  
20 other claims or interests in that class.

21 2. 11 U.S.C. § 1123(a)(1): The Plan complies with section 1123(a)  
22 by expressly classifying all Claims and Interests, other than Administrative  
23 Claims and Priority Tax Claims.

24 3. 11 U.S.C. § 1123(a)(2): The Plan complies with section  
25 1123(a)(2) by specifying that Classes 3, 4, 5, 7, 8 and 11 are not impaired.

26 4. 11 U.S.C. § 1123(a)(3): The Plan complies with section  
27 1123(a)(2) by specifying that Classes 1, 2, 6, 9, 10, 12, 13, 14, 15, 16, 17, 18  
28

1 and 19 are impaired, and by specifying the treatment of the Claims and  
2 Interests in each of those Classes.

3 5. 11 U.S.C. § 1123(a)(4): The Plan complies with section  
4 1123(a)(4) by providing the same treatment to each Claim or Interest that is  
5 classified in each particular class established under the Plan except to the  
6 extent that the claimants have agreed to a less favorable treatment. While the  
7 Plan offers choices to entities holding Claims classified in Class 10 (e.g., the  
8 Convenience Class Election, and the election between payment option 10A and  
9 10B), these choices are offered without discrimination. This treatment satisfies  
10 the requirements of Bankruptcy Code section 1123(a)(4).

11 6. 11 U.S.C. § 1123(a)(5): The Plan complies with Bankruptcy  
12 Code section 1123(a)(5) by setting forth specific means for the implementation  
13 of the Plan, including among other things:

- 14 • Assuming, assigning, or rejecting executory contracts and leases;
- 15 • Establishing procedures for making the distributions under the
- 16 Plan;
- 17 • Preserving rights of action and establishing procedures for
- 18 handling any unresolved objections to Claims;
- 19 • Creating adequate funding for distributions and obligations under
- 20 the Plan;
- 21 • Authorizing the sale of the property securing the Class 4 Claim
- 22 pursuant to Bankruptcy Code sections 363, 1123 and 1129;
- 23 • Authorizing the implementation of a captive insurer program in
- 24 order to mitigate prospective professional liability expense;
- 25 • Issuing the New Public Notes, New Preferred Stock, New Class
- 26 A Common Stock and New Warrants;
- 27 • Substantive consolidation of the Debtors;
- 28 • Obtaining the Exit Facility;

- Assigning the Debtors' leaseholds for security in accordance with the terms of the Plan and the Exit Facility Closing Documents;
- Amending the Stockholders' Agreement and the Articles of Incorporation;
- Implementing the Corporate Restructuring Plan whereby all of the Debtors' Business Assets will be held by the Reorganized Enterprise and all of the Debtors—other than Fountain View, Inc., Summit Care Pharmacy, Inc. and the Other Reorganized Debtors—will dissolve or be merged out of existence;
- Dissolving the Creditors' Committee and the Noteholders' Committee;
- Designating Officers and Directors for the Reorganized Enterprise; and
- Canceling Interests in Class 16 and Class 19.

7. 11 U.S.C. § 1123(a)(6): The provisions of the Plan, Articles of Incorporation and the Amended Stockholders' Agreement relating to voting and corporate governance comply fully with section 1123(a)(6).

8. 11 U.S.C. § 1123(a)(7): The Debtors have complied with section 1123(a)(7) by identifying in the Disclosure Statement the persons expected to serve as the initial members of the Board of Directors of Reorganized Fountain View and as the principal officers, and by indicating that the membership of the Board of Directors shall be subject to election at an annual meeting of Reorganized Fountain View subject to the procedures set forth in the Amended Stockholders' Agreement and that officers shall serve at the direction of the Board.

9. 11 U.S.C. § 1129(a)(2): The Debtors, as the proponents of the Plan, have complied with all of the Bankruptcy Code's applicable provisions.

1                   10.    11 U.S.C. § 1129(a)(3): The Debtors have proposed the Plan in  
2                   good faith and not by any means forbidden by law.

3                   11.    11 U.S.C. § 1129(a)(4): The Plan provides that the Reorganized  
4                   Enterprise will not pay Non-Ordinary Course Administrative Claims or  
5                   Professional Fee Claims unless and until the Court allows such claims.

6                   12.    11 U.S.C. § 1129(a)(5): The Disclosure Statement adequately  
7                   describes the persons expected to serve as the initial members of the Board of  
8                   Directors for Reorganized Fountain View, and the expected retention of Boyd  
9                   Hendrickson as Chief Executive Officer and the other principal officers of the  
10                  Reorganized Enterprise. The continuance in office of such officers and  
11                  directors is in the best interests of creditors and shareholders and consistent  
12                  with public policy.

13                  13.    11 U.S.C. § 1129(a)(6): The requirements of Bankruptcy Code  
14                  section 1129(a)(6) are not applicable to the Plan.

15                  14.    11 U.S.C. § 1129(a)(7): Each party who holds a Claim or  
16                  Interest in a Class that is impaired under the Plan either (a) has accepted the  
17                  Plan or (b) will receive or retain under the Plan property of a value, as of the  
18                  Effective Date, that is not less than that party would receive or retain if the  
19                  Debtors were liquidated under chapter 7 of the Bankruptcy Code. Classes 3, 4,  
20                  5, 7, 8 and 11 are all unimpaired, rendering the requirements of section  
21                  1129(a)(7) inapplicable to those Classes. All holders in impaired Classes 1, 2,  
22                  and 6 have accepted the Plan, satisfying section 1129(a)(7)(A)(i). As to  
23                  Classes 9, 10, 12, and 13, all of which are provided for in full under the Plan,  
24                  the preponderance of the evidence before the Court establishes that all holders  
25                  of unsecured claims in Classes 9, 10, and 12 would receive between zero and  
26                  34 cents on the dollar in the event that the Debtors were to be liquidated under  
27                  chapter 7 of the Bankruptcy Code (except to the extent of available insurance  
28                  for Class 12, which insurance will remain available to those creditors under the

Plan). The preponderance of the evidence before the Court establishes that all holders of unsecured claims in Class 13 and the holders of all Allowed Interests would neither receive nor retain any property in a Chapter 7 liquidation. In contrast, under the Plan entities holding Allowed Claims will receive payment in full with postpetition interest, and entities holding Interests in Classes 14, 15, 17 and 18 will retain their Interests or obtain other securities with a value equal to the reorganization value of such holders' respective Interests. Accordingly, the treatment under the Plan of the nonaccepting members of all impaired classes is in no case less than that which the holders of such Claims and Interests would otherwise be entitled to in chapter 7, and the requirements of section 1129(a)(7) are therefore satisfied.

15. 11 U.S.C. § 1129(a)(8): Classes 3, 4, 5, 7, 8 and 11 are all unimpaired and therefore are deemed to accept the Plan. As set forth in the Ballot Tabulation and summarized in Section I of the Memorandum, Classes 1, 2, 6, 9, 10, 14, 15 and 18 are impaired under the Plan and have voted in requisite amounts and numbers to accept the Plan. Classes 16 and 19 are deemed to reject the Plan pursuant to Bankruptcy Code section 1126(g). The Plan nevertheless may be confirmed on the basis that the Plan is fair and equitable and not unfairly discriminatory with respect to such Classes. With respect to Class 12, Class 13, and Class 17, no eligible Ballots having been cast in such Classes and no timely objection to the Plan having been made by any holder in such Class. Class 12, Class 13 and Class 17 are, therefore, deemed to not accept the Plan. The Plan nevertheless may be confirmed on the basis that the Plan is fair and equitable and not unfairly discriminatory with respect to such Classes.

16. 11 U.S.C. § 1129(a)(9): The Plan complies with the requirements of Bankruptcy Code section 1129(a)(9) with regard to the treatment of Administrative Claims, Priority Claims and Priority Tax Claims.

1                   17.    11 U.S.C. § 1129(a)(10): Classes 1, 2, 6, 9, 10, and 12 are all  
2                   impaired classes of Claims that have accepted the Plan by the requisite  
3                   majorities without regard to any Ballots cast by insiders as defined in section  
4                   101 of the Bankruptcy Code.

5                   18.    11 U.S.C. § 1129(a)(11): The preponderance of the evidence  
6                   before the Court establishes that the assumptions and financial projections  
7                   made in connection with the Debtors' five-year business plan are reasonable  
8                   and that, following the Effective Date, the Reorganized Enterprise should be  
9                   able to meet its obligations and make the payments required under the Plan.  
10                  The Plan is feasible and Plan confirmation is not likely to be followed by either  
11                  the liquidation or the further financial reorganization of the Reorganized  
12                  Enterprise.

13                  19.    11 U.S.C. § 1129(a)(12): The Plan provides for payment in full  
14                  of Allowed Administrative Claims including U.S. Trustee fees arising under 28  
15                  U.S.C. § 1930. Thus, the Plan satisfies the requirements of section  
16                  1129(a)(12).

17                  20.    11 U.S.C. § 1129(a)(13): The requirements of Bankruptcy Code  
18                  section 1129(a)(13) are not applicable to the Plan.

19                  21.    11 U.S.C. § 1129(b): The Plan may be confirmed with regard to  
20                  Classes 12, 13, 16, 17 and 19 under the "cramdown" provisions of section  
21                  1129(b). Class 16 is junior to Class 15 due to the liquidation preference in the  
22                  Stockholders' Agreement and is valueless at present. Class 16 Interests are  
23                  therefore junior for the purpose of a "cramdown" analysis to the Class 15  
24                  Interests and the Class 17 Interests, as the Class 17 Interests are *pari passu*  
25                  with the Class 15 Interests. As the Existing Warrants included in Class 18 give  
26                  the holders the ability to obtain Existing Class A Common Stock for a nominal  
27                  price, they have rights that are senior to the Class 16 Interests as well. The  
28                  Class 19 interests are being eliminated. Thus, no class junior to the Class 16

Interests will be receiving anything under the Plan. As the Plan does not discriminate unfairly with regard to these interests, the Plan may be confirmed over the deemed objection of Class 16. With respect to Class 19, this Class consists of a Class of Interests that is the junior-most Class under the Plan. As the Plan does not discriminate unfairly with regard to this Class, the Plan may be confirmed over the deemed objection of Class 19. With respect to Classes 12 and 13, these Classes consist of Unsecured Claims. The separate classification and treatment of these Claims is appropriate and supported by legitimate business justifications. Thus, the Plan does not discriminate unfairly with regard to these Classes. Further, as the Claims within these Classes are to be paid in full according to the terms of the Plan, the Plan may be confirmed with the consent of these Classes under section 1129(b)(2)(B)(i). Finally, with respect to Class 17, the Plan does not discriminate unfairly with regard to this Class in that the holders of Class 17 Interests are to be issued New Class A Common Stock, as are the holders of Class 15 Interests, whose rights are comparable. As the holders of Class 17 Interests are receiving the value of their Interests and no member of a junior class is receiving anything under the Plan, the Plan may be confirmed without the consent of this Class under section 1129(b)(2)(C)(i).

E. All releases, settlements and compromises (including the TDHS Settlement, the Stipulation Regarding Medicare Provider Agreements and the CMS Stipulation) provided for in the Plan were negotiated at arm's length and in good faith and are fair, equitable, reasonable, and in the best interests of the Debtors, the Estates, and all creditors and shareholders.

F. The modifications to the Plan in the amended, second amended and third amended Plans and the Modification were reasonable and appropriate and did not adversely change the treatment under the Plan of the Claim of any creditor or the Interest of any shareholder that did not accept in writing these modifications. Accordingly, the

1 modifications complied in all respects with section 1127(a) as well as all other applicable  
2 provisions of the Bankruptcy Code, and under Bankruptcy Rule 3019, the modifications are  
3 deemed accepted by all creditors and shareholders who previously voted to accept the Plan.  
4 Notice of the amendments to the Plan was appropriate and adequate under the circumstances.

5           G. Under Section III.A of the Plan, except for any agreements that were  
6 previously assumed or rejected by Final Order under Bankruptcy Code section 365, the  
7 Debtors have elected to assume (through the Reorganized Enterprise) each of the contracts  
8 and leases identified on the Schedule of Assumed Agreements that was filed in accordance  
9 with the Plan (as revised, the "Assumed Agreements"). No objections have been filed either  
10 to the Debtors' determination to assume any of these Assumed Agreements or to the  
11 proposed cure amounts (the "Cure Payments") that are set forth on the Schedule of Assumed  
12 Agreements, as revised. The Debtors have, within the meaning of Bankruptcy Code section  
13 365(b)(1)(C), established adequate assurance of future performance of the Assumed  
14 Agreements. Furthermore, the identified Cure Payments, if any, for each of the Assumed  
15 Agreements are the only amounts necessary to cure any existing defaults under the Assumed  
16 Agreements in accordance with Bankruptcy Code sections 365(b)(1)(A) and (B).  
17 Notwithstanding the preceding sentence, any accrued but unbilled charges due under one or  
18 more of the Assumed Agreements after confirmation of the Plan for certain charges,  
19 including, but not limited to, common area maintenance, insurance and tax reconciliations or  
20 year-end adjustments shall be billed and paid by the Reorganized Enterprise in compliance  
21 with the terms of that particular agreement.

22           H. The Debtors gave due and proper notice of the assumption or  
23 assignment and proposed Cure Payment of each Assumed Agreement to each landlord or  
24 other non-debtor party under each Assumed Agreement.

25           I. Pursuant to the Plan, the Debtors have elected to reject each of their  
26 remaining executory contracts and unexpired leases (collectively, the "Rejected  
27 Agreements") that are not assumed under Section III.A of the Plan, including those  
28 agreements identified on the Schedule of Rejected Agreements that was filed in accordance

1 with the Plan, as revised. Nothing in this Order is a waiver of any defenses, claims, or  
2 counterclaims that the Debtors may have against any party to Rejected Agreements.

3 J. The Disclosure Statement expressly provided that no party should vote  
4 to accept or reject the Plan in the expectation that the Debtors may refrain from: (a) pursuing  
5 any cause of action or asserting any defenses or counterclaims, whether or not that action was  
6 commenced before the Petition Date and regardless of the nature of the matter, or (b)  
7 objecting to any proof of Claim or Interest filed by a party against one or more of the  
8 Debtors. Notwithstanding anything else to the contrary herein, with respect to Class 10  
9 Claims and Class 11 Claims, under the terms of the Plan the Debtors and the Reorganized  
10 Enterprise may only object to a Claim if it is (a) listed on Exhibit 8 (Schedule of Disputed  
11 Claims) to the Disclosure Statement (as such exhibit was amended through the date the  
12 Debtors served the Disclosure Statement upon creditors and interest holder), (b) not timely  
13 Filed, or (c) duplicative of another Claim that is not objected to. Accordingly, except as  
14 provided in the Plan with respect to matters expressly released under the Plan, no party  
15 reasonably voted to accept or reject the Plan in the expectation that the Debtors may refrain  
16 from: (a) pursuing any cause of action or asserting any defenses or counterclaims, whether or  
17 not that action was commenced before the Petition Date and regardless of the nature of the  
18 matter, or (b) objecting to any proof of Claim or Interest filed by a party against one or more  
19 of the Debtors.

20 K. The ADR Procedures established previously by this Court have proven  
21 to be efficient and effective in leading to the resolution of professional liability claims.  
22 Given that the responsibility for final allowance or disallowance of all pre-confirmation debts  
23 properly lies within the jurisdiction of the Bankruptcy Court (subject to preservation of jury  
24 trial rights to the extent required by applicable law), and the fact that the Plan does not limit  
25 or channel resolved claims to a particular fund, but rather treats them as Class 10, Class 12 or  
26 Class 13 Claims all of which are provided for in full, the continuation of these proven  
27 procedures post-confirmation is well within the authority of the Bankruptcy Court and should  
28 be continued post-confirmation as an appropriate provision of the Plan under Bankruptcy

1 Code section 1123(b) and in furtherance of the discharge provisions of Bankruptcy Code  
2 section 1141(d).

3 L. The substantive consolidation of the Debtors and the Estates is  
4 appropriate in connection with the Plan, will benefit all creditors and will facilitate the  
5 orderly, efficient and economical administration of the Estates pursuant to the Plan. As a  
6 result of the Plan, the time and expense necessary to attempt to unscramble the affairs of the  
7 Debtors and the Estates and determine with precision the proper allocation of each of their  
8 assets and liabilities would impose an unnecessary and substantial administrative expense on  
9 the Estates. Entry of this Order shall constitute the approval, pursuant to Bankruptcy Code  
10 section 105(a) and 1123(a)(5)(C), effective as of the Effective Date, of the substantive  
11 consolidation of the Debtors and the Estates for all purposes as set forth in the Plan and the  
12 Substantive Consolidation Motion. Notwithstanding the foregoing, if the Effective Date does  
13 not occur, the Debtors shall not be substantively consolidated and this Order shall have no  
14 precedent or effect with respect to any future request by a party seeking to substantively  
15 consolidate the Debtors.

16 M. It was not improper for the Debtors to require holders of Claims and  
17 Interests to vote in substantively consolidated Classes based on the specific facts of the  
18 Reorganization Cases. Voting in this manner does not appear to have been used for the  
19 purpose of gerrymandering votes and did not have the effect of permitting the Debtors to  
20 confirm an otherwise unconfirmable Plan. Even if votes had been tabulated on an Estate-by-  
21 Estate basis, holders of Claims and Interests would have voted in favor of confirmation of the  
22 Plan by the majorities required by section 1126.

23 N. The Exit Facility is an essential element of the Plan and entry into the  
24 Exit Facility is in the best interests of the Debtors, the Estates, the Reorganized Enterprise  
25 and their creditors. The Debtors have exercised reasonable business judgment in determining  
26 to enter into the Exit Facility Closing Documents, including, without limitation, those set  
27 forth in the Plan Supplement, or in a form substantially similar thereto. The Debtors have  
28 provided sufficient and adequate notice of the Exit Facility, including any material

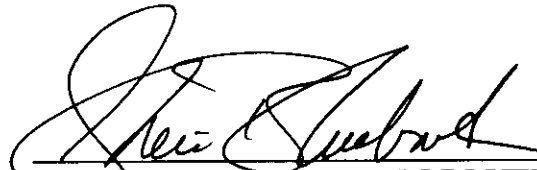

1 modifications to the Exit Facility or to the Exit Facility Commitment Letters, to all parties-in-  
2 interest. All documents necessary to implement the Plan including, without limitation, the  
3 Exit Facility Closing Documents, shall, upon execution, be valid, binding, and enforceable  
4 agreements and not be in conflict with any federal or state law. The Exit Facility is  
5 supported by reasonably equivalent value and is not given on account of any antecedent debt.

6 O. In accordance with Bankruptcy Code sections 365(f) and 1123(b)(2),  
7 the provisions in the Plan properly authorize assignment of the Debtors' leasehold interests as  
8 security for the Exit Facility, the New Public Notes, the Class 10 Deferred Obligation, the  
9 Continuing Creditor Deferred Obligation and the Vendors' Lien, in the order of priority set  
10 forth in the Plan, pursuant to the leasehold deeds of trust and related documents included in  
11 the Plan Supplement, notwithstanding any restrictions on transfer or assignment under the  
12 leases or otherwise applicable law, and the Debtors, in their capacity as holders of leasehold  
13 interests, are properly granted a power of attorney for the landlords of the Debtors' leases  
14 with full power to act in the place and stead of the landlords for the limited purpose of  
15 consummating and perfecting the liens under the Exit Facility, the New Public Notes, the  
16 Class 10 Deferred Obligation, the Continuing Creditor Deferred Obligation and the Vendors'  
17 Lien, including the right to make, execute and delivery any and all documents (including  
18 memoranda of leases and leasehold deeds of trust) and present and file such documents in  
19 any public office.

20 P. As set forth in more detail below, each of the documents in the Plan  
21 Supplement, including but not limited to, the Exit Facility Closing Documents, the  
22 Stockholders' Agreement, the Indenture for the New Public Notes, the Claims Agency  
23 Agreement, the Collateral Agency Agreement, the Woodlands Place loan documents, the  
24 Bank Midwest loan documents, the Guaranty and other documents in the Plan Supplement,  
25 are approved as fair, equitable, reasonable and in the best interests of the Debtors, the Estates  
26 and the Reorganized Enterprise, and were negotiated at arms' length and in good faith by and  
27 among the parties to such agreements and are entitled to the protections of Bankruptcy Code  
28 section 364(e).

1 Q. The transactions contemplated under the Plan, including the Exit  
2 Facility and the Corporate Restructuring Plan, are for fair consideration, were entered into in  
3 good faith within the meaning of Bankruptcy Code section 363(m) and 1129, and are in the  
4 "best interests" of creditors, interest holders and the Estates within the meaning of  
5 Bankruptcy Code sections 363, 365 and 1129 and decisional law.
